Dear Sir,

RENEWAL OF THE REGISTRATION STATUS GRANTED FOR OVERSEAS MANUFACTURING PLANT UNDER THE IMPORT INSPECTION SCHEME OF SRI LANKA STANDARDS INSTITUTION -“IIL” BRAND GALVANIZED STEEL PIPES AND SOCKETS

We are pleased to inform you that the Sri Lanka Standards Institution has decided to renew the registration status granted to the following manufacturing plant where 'IIL' brand galvanized steel pipes and sockets are manufactured. This decision is based on the findings of the audit conducted during the period from 2023-10-17 to 2023-10-19 and the performance of the past consignments exported to Sri Lanka.

International Industries Ltd,
LX15-16, Landhi Industrial Area,
Karachi 75120
Pakistan

The registration status is valid until 2025-12-31, subject to the following conditions.

1. The registration status will be renewed annually, subject to the settlement of relevant payments and satisfactory past performance. After the specified validity date, the renewal of registration status will be considered based on a fresh evaluation.
2. Every shipment of “IIL” brand Galvanized Steel pipes and Sockets shall be tested against SLS 829:2009 Specification for Galvanized Steel Pipes and Sockets and supported with quality certificates from the manufacturer with respect to different sizes/ batches as relevant.

3. Verification sampling will be carried out by SLSI on random basis in order to ensure the compliance of the products with the requirements of the Sri Lanka Standard Specifications.
4. The status of ISO 9001 certificate shall be updated on expiry, and it shall be communicated to SLSI.
5. If the same product/ brand is manufactured at another factory (other than the above plant address) and exported to Sri Lanka, it shall be brought to the notice of Sri Lanka Standards Institution with immediate effect.

Thank you,

Yours faithfully,

For, SRI LANKA STANDARDS INSTITUTION
